

## **The Update Procedure through OTA - P4 Life**

The software update advantages are:

- translation improvement;
- fixing some minor bugs.

**ATTENTION!** *The phone must be fully charged when initializing the procedure.*

**ATTENTION!** *Please do not stop under any circumstance the update operation.*

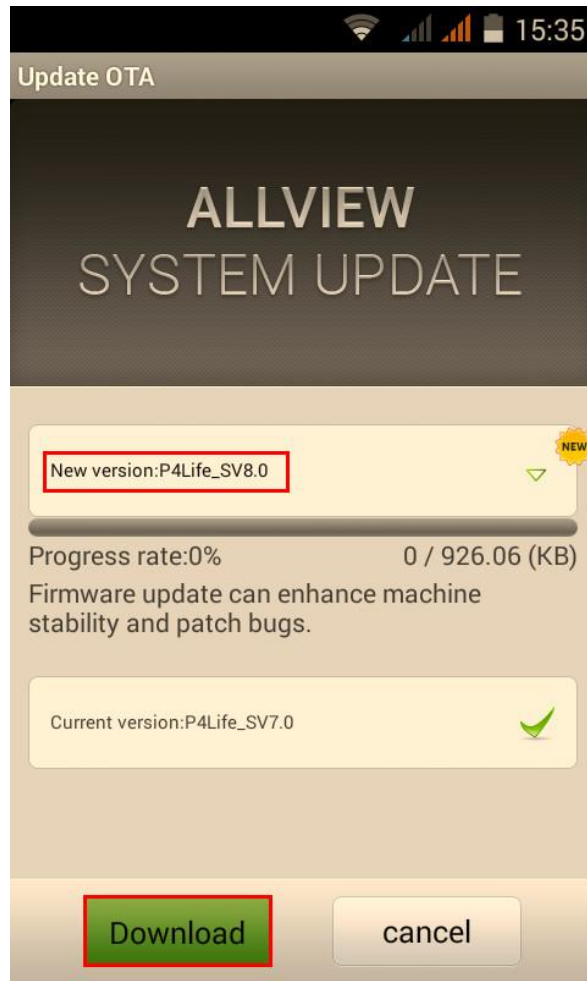

*The software update is an operation which is realised on own responsibility by following the steps below.*

To update the software version of the **Allview P4 Life** smartphone it is necessary to follow the next steps:

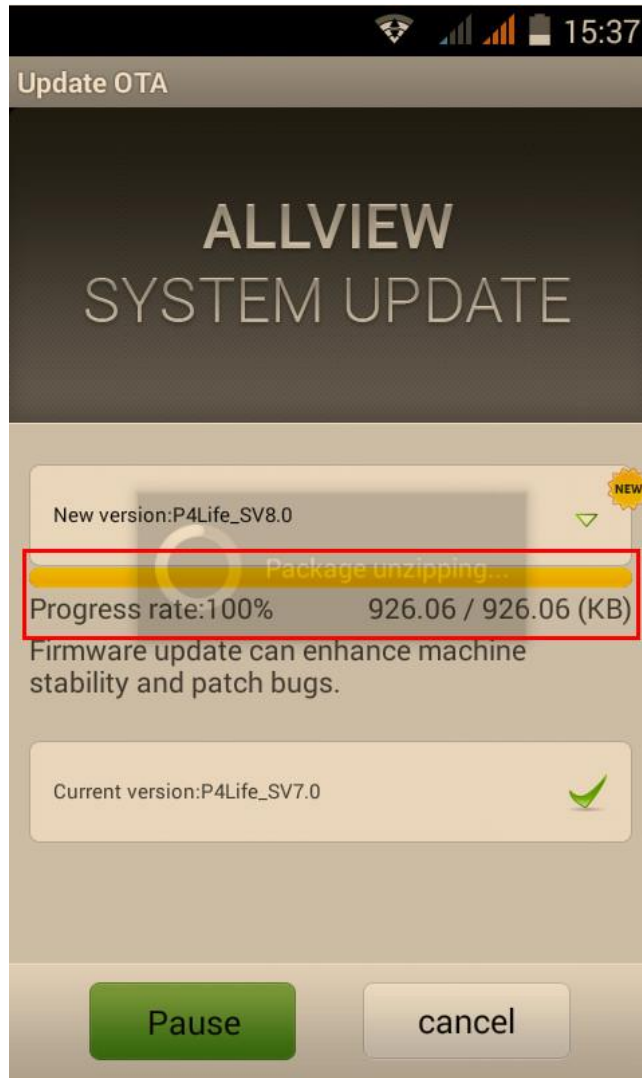

1. Turn on the phone and connect it to a wireless network.
2. Open the "**System Update**" app from the apps menu:

3. The **System updates** app has detected a new software version (SV8.0). Tick the option: ***Download***

4. Please wait until the new software is downloaded on the phone:

5. After the full software download, a message will be displayed on the phone's screen that will inform you about this update:

6. Select **Begin**. The phone will reboot and the update procedure will start automatically .

7. After finishing the update process, the phone will reboot itself.

8. On the phone's screen this message will be displayed: “**Android is upgrading**”.

 The update file downloaded in the internal storage will be deleted automatically after the termination of the update process.

 We recommend **Factory Reset** after the update to avoid some errors.

 **ATTENTION!** The phone's factory reset will completely delete all personal information and the apps installed in the phone.
