

## **BIOS update procedure – ALLVIEW Wi7**

The BIOS update advantages are:

- a more efficient resources management (an improved autonomy);
- optimizing the battery parameters

**ATTENTION!** *The tablet must be fully charged when initializing the procedure.*

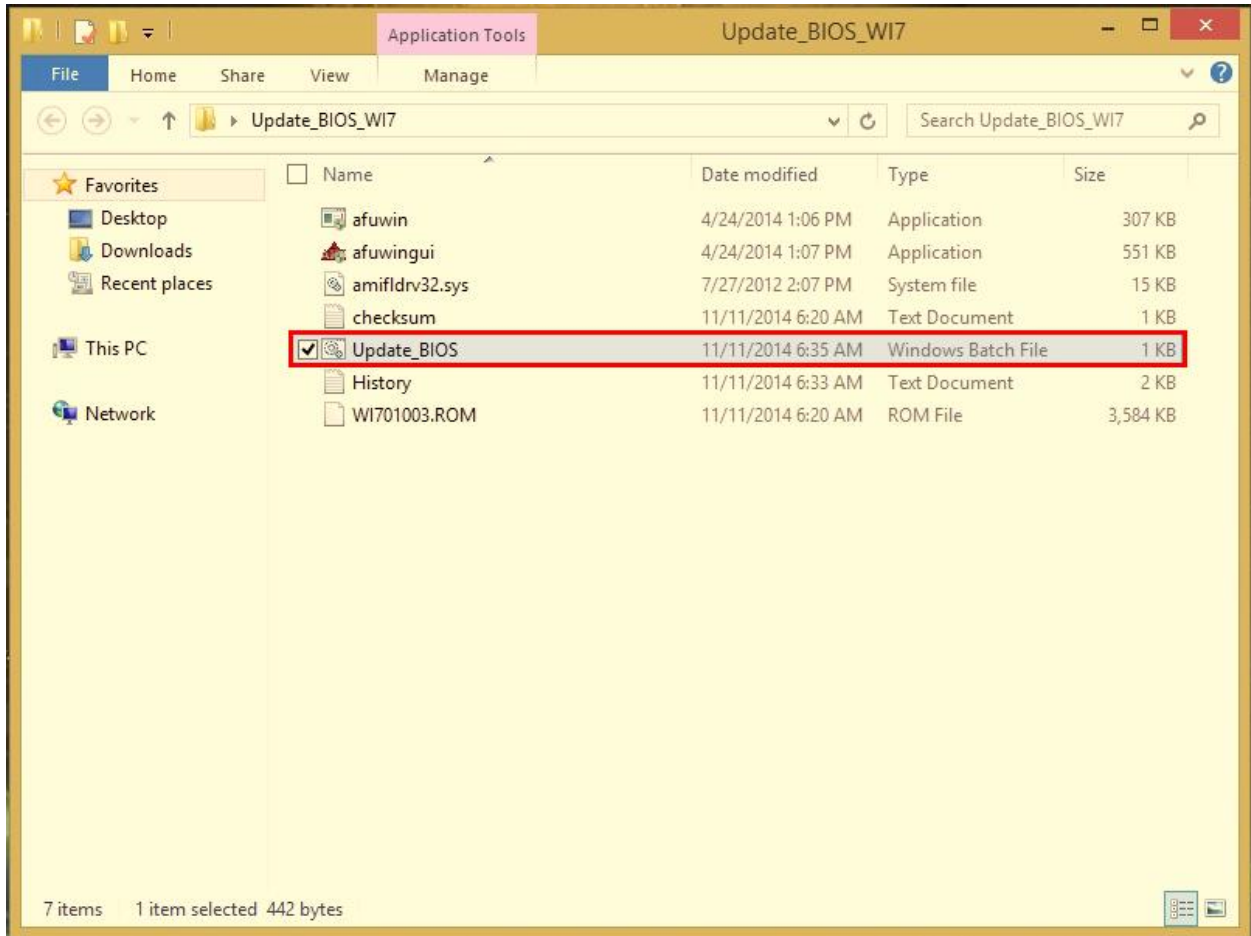

**ATTENTION!** *Please do not stop under any circumstance the BIOS update operation.*

*The BIOS update is an operation which is realised on own responsibility by following the steps below.*

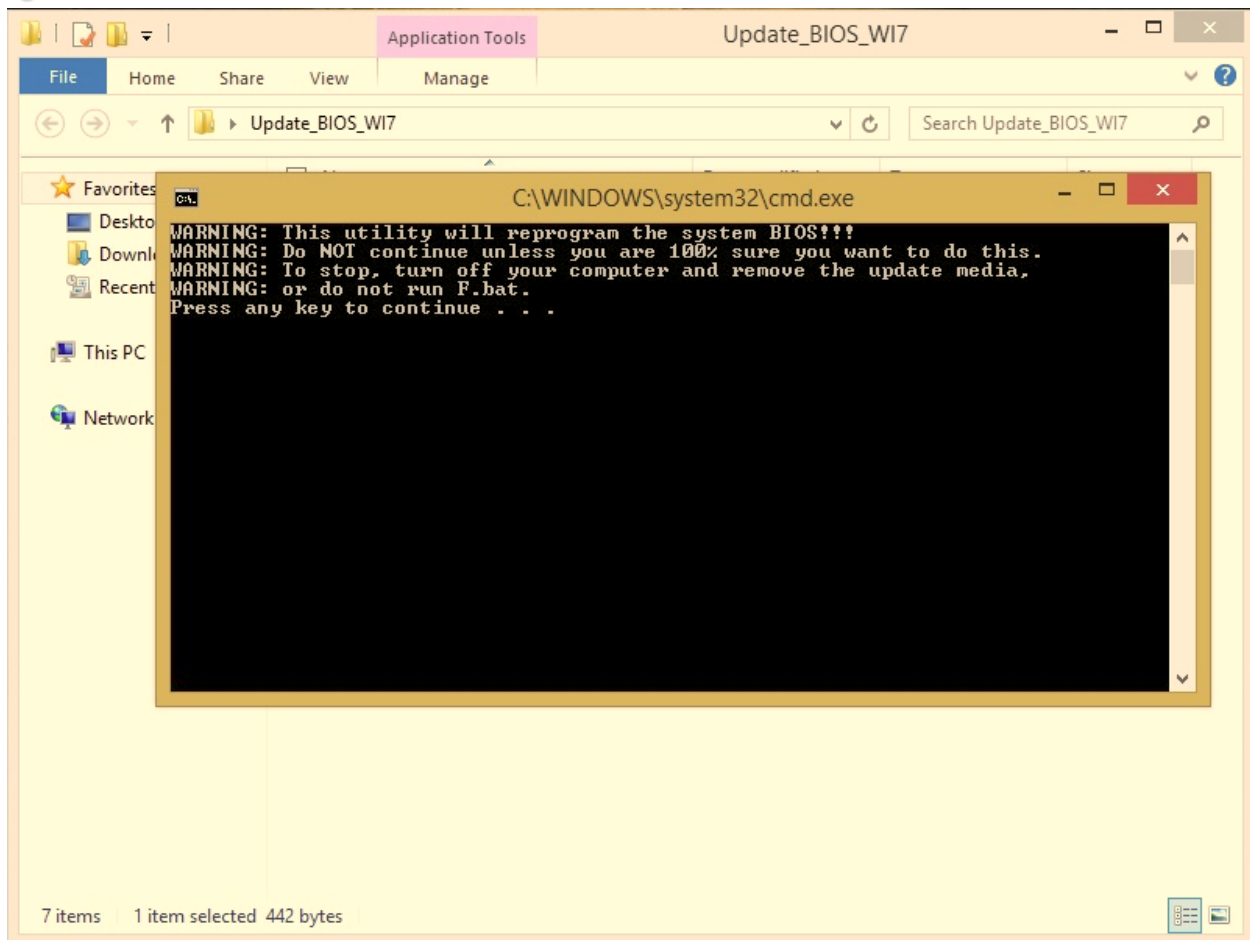

To update the BIOS version of the **ALLVIEW Wi7** tablet it is necessary to follow the next steps:

1. Turn on the tablet and connect it to a wireless network.
2. Download the **“Update\_BIOS\_Wi7.zip”** file in your tablet, then unzip the file. It will result a folder.
3. Enter in the resulted folder **Update\_BIOS\_Wi7** and open the batch file **Update\_BIOS** file:

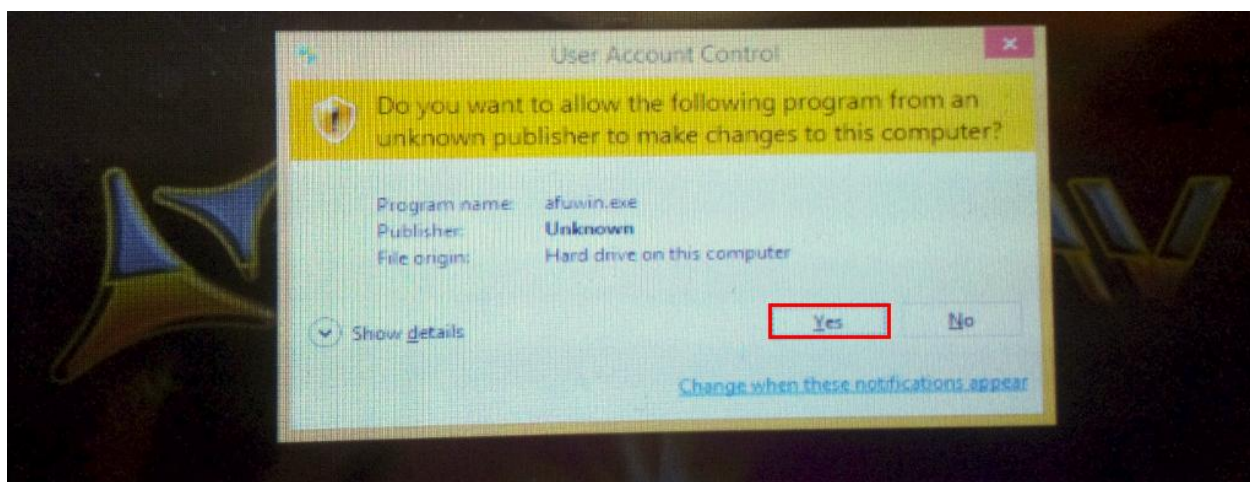

4. A command line window will open automatically, please press **ENTER**:

5. Click on **YES** and a new command line window will open automatically, see below:

```
C:\Users\all\Desktop\Update_BIOS_WiFi\afuwin.exe
AMI Firmware Update Utility v5.06.01
