Release date:	14-09-2015

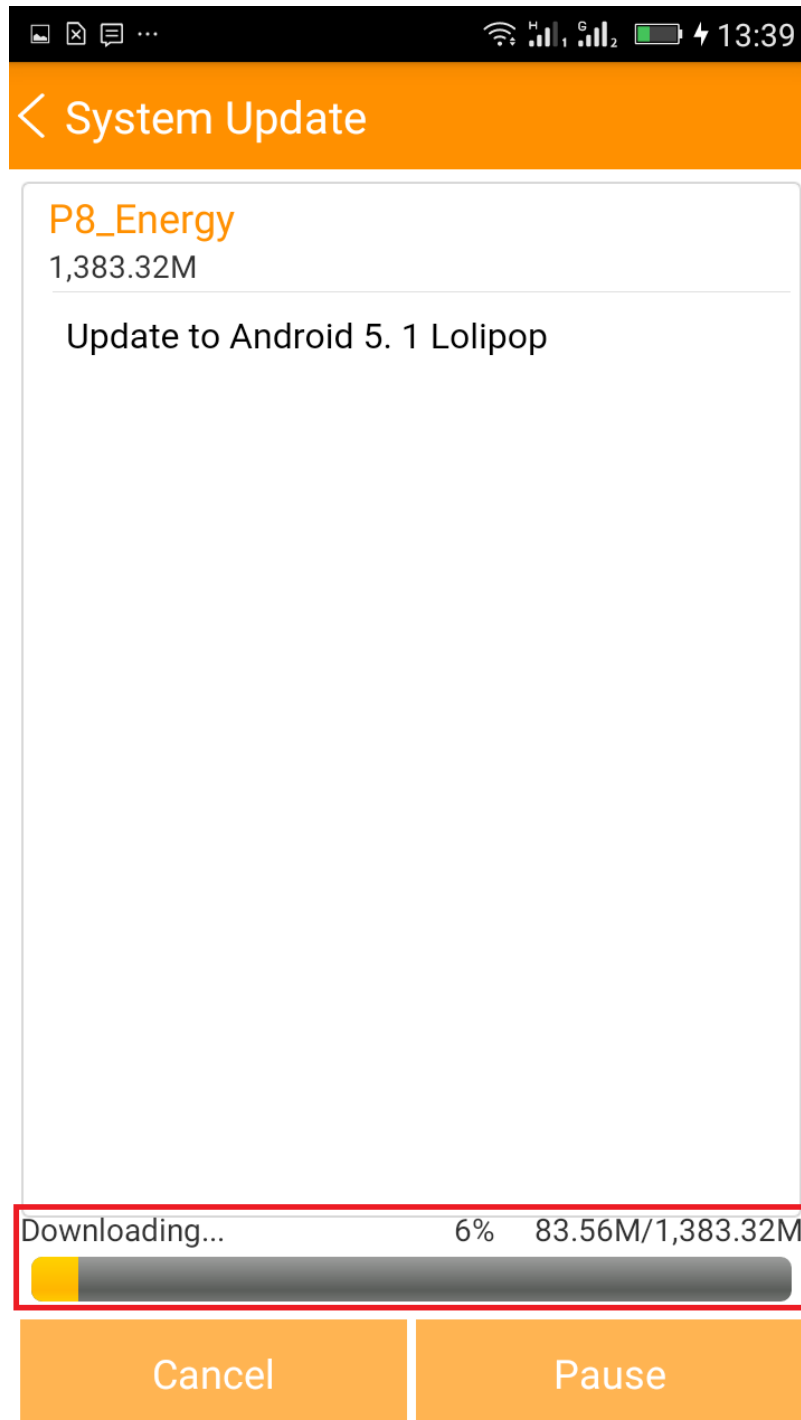

Check new version

- The “**System Update**” app has detected a new software version (**P8_Energy_0102_V6063**).
Tick the option: **Download**:

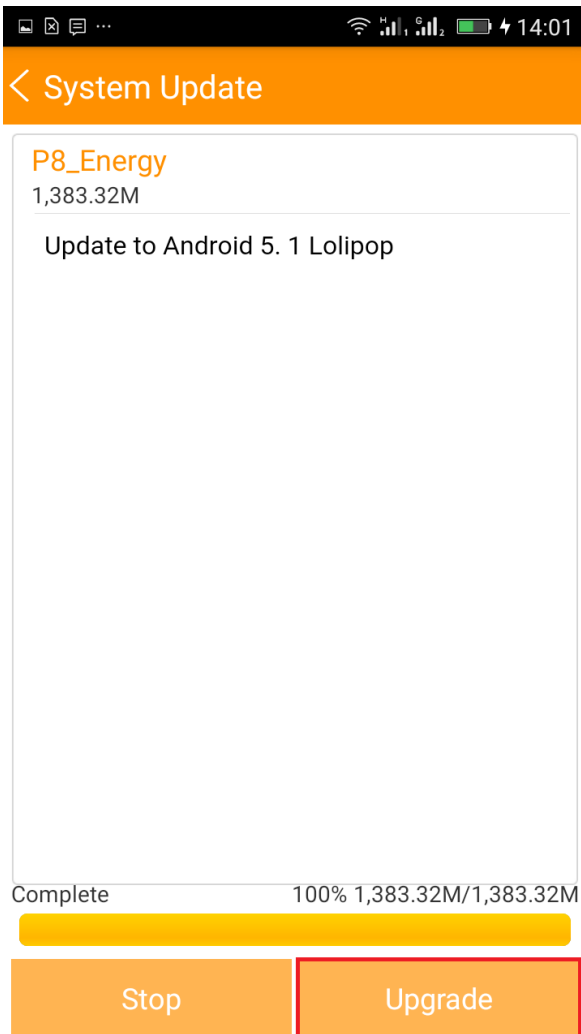

Download

5. Please wait for the full software download in the phone's internal storage/micro SD card.

6. After full software download, select **“Upgrade”**:

Backup tips

System will restart to upgrade, and this will not affect user data. You are suggested to backup user data to be safer.

Backup

7. The phone will reboot and the update procedure will start automatically .

8. After finishing the update process, the phone will reboot itself.

9. On the phone's screen this message will be displayed: **“Android is upgrading”**.

The update file downloaded in the internal storage/microSD card will be deleted automatically after the termination of the update process.

We recommend **Factory Reset** after the update, to avoid some errors.

ATTENTION! *The phone's factory reset will completely delete all personal information and the apps installed in the phone.*
