

The update procedure through OTA – Allview X2 Soul PRO / Android 5.0 / 04.12.2015

The software update advantages are:

- ✓ *software stability improvement;*
- ✓ *translations improvement;*
- ✓ *fixing some minor bugs.*

ATTENTION! *The phone must be fully charged when initializing the procedure.*

ATTENTION! *Please do not stop under any circumstance the update operation.
The software update is an operation which is realised on own responsibility by following the steps below.*

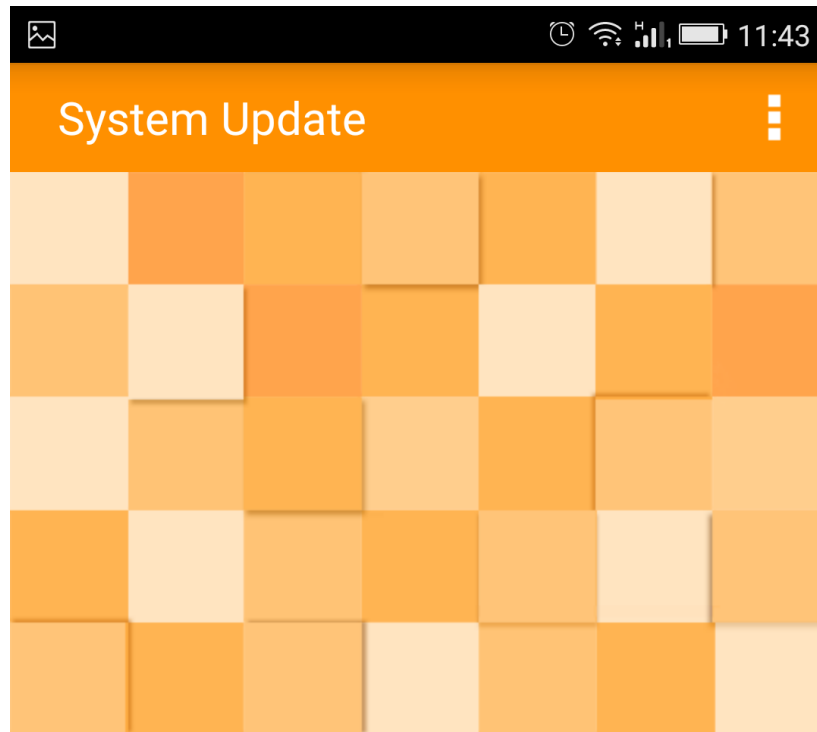

To update the software version of the *Allview X2 Soul PRO* smartphone it is necessary to follow the next steps:

1. Turn on the phone and connect it to a wireless network.
2. Open the **"System updates"** app from the apps menu:

3. For search software version use button ***“Check new version”***

Last update time: 11:43

Model: X2_Soul_PRO

System version: 5.0.16

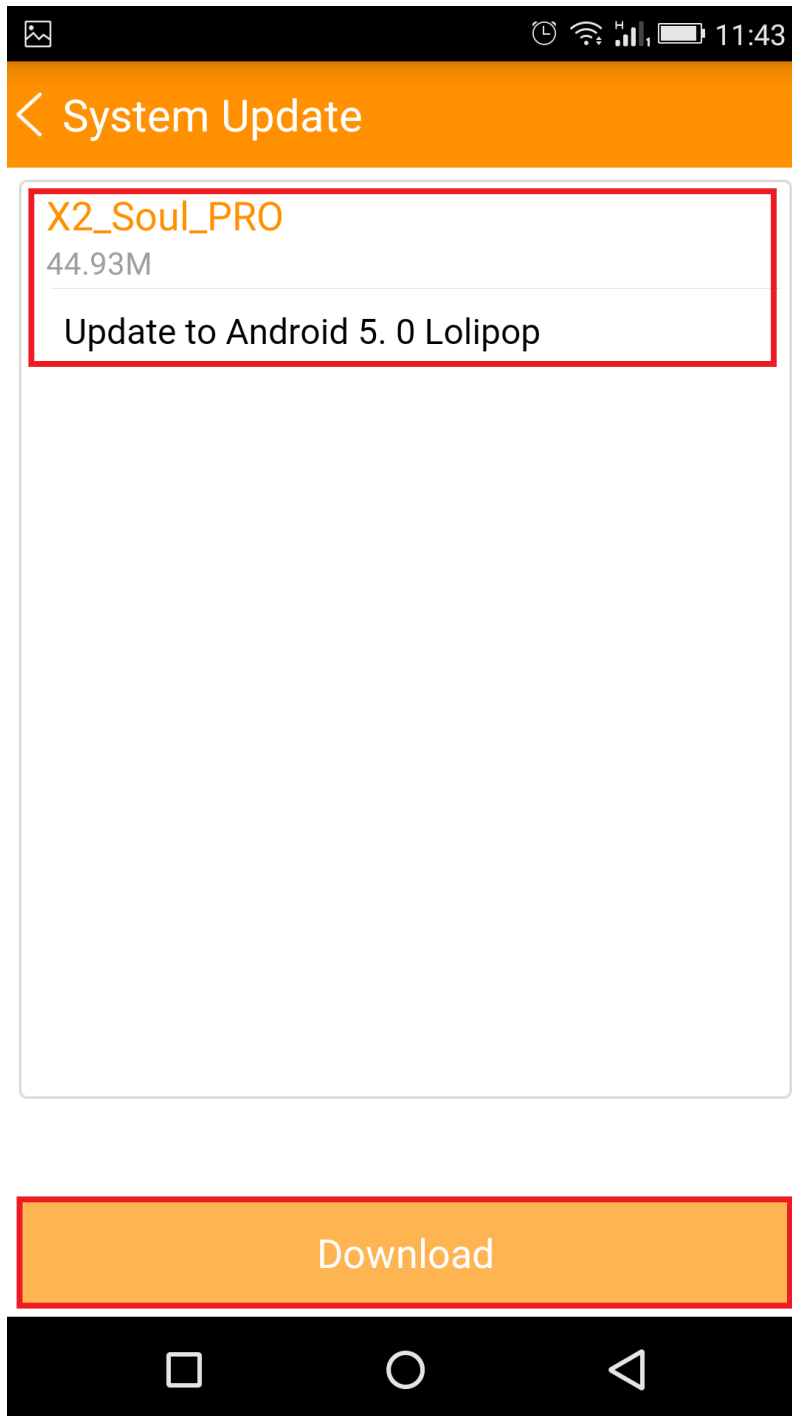

Release date: 23-09-2015

Check new version

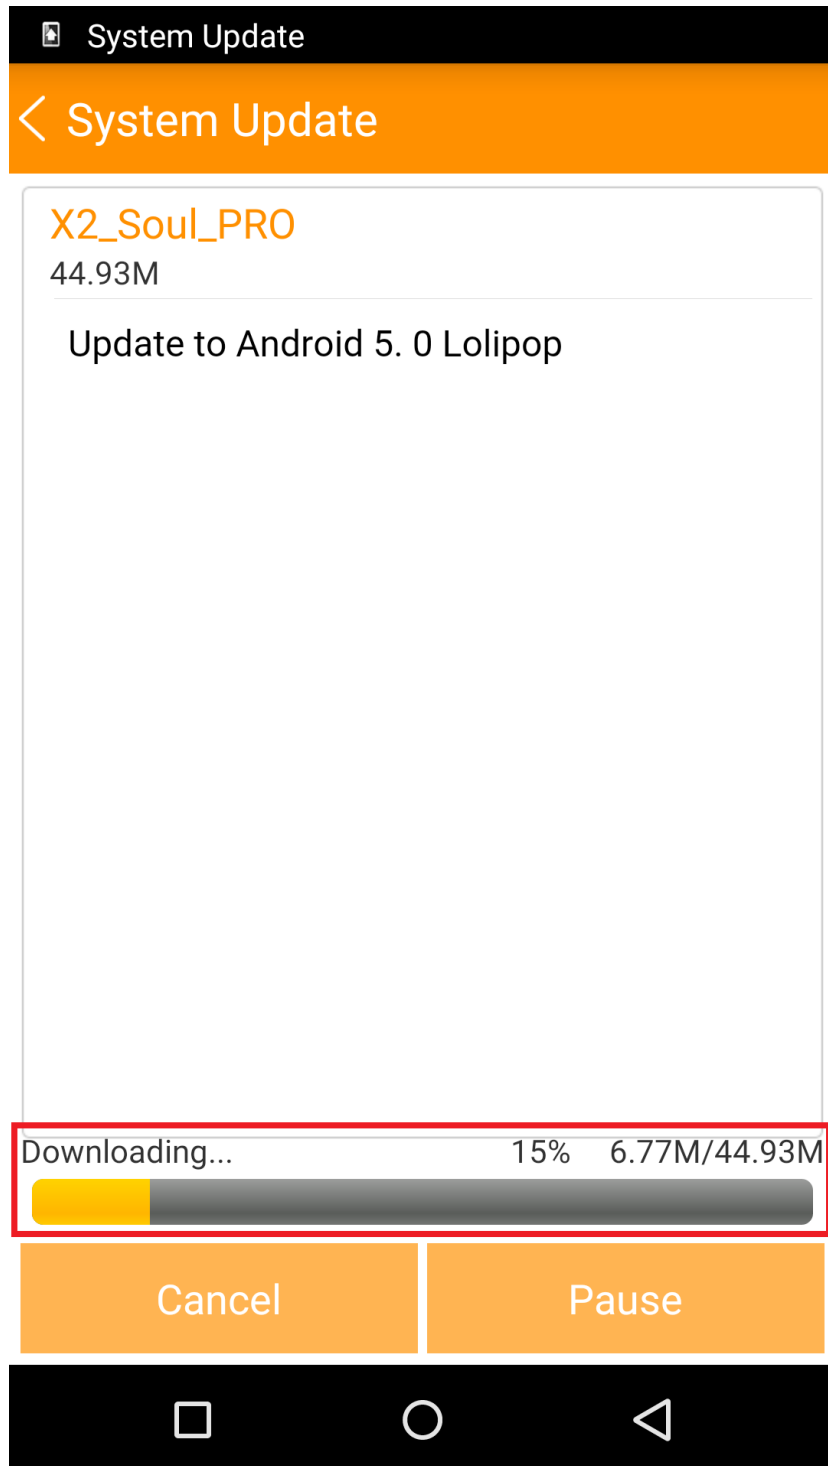

4. The **“System Update”** app has detected a new software version (**X2_Soul_PRO_0302_V5759**).
Tick the option: **Download**:

5. Please wait for the full software download in the phone's internal storage.

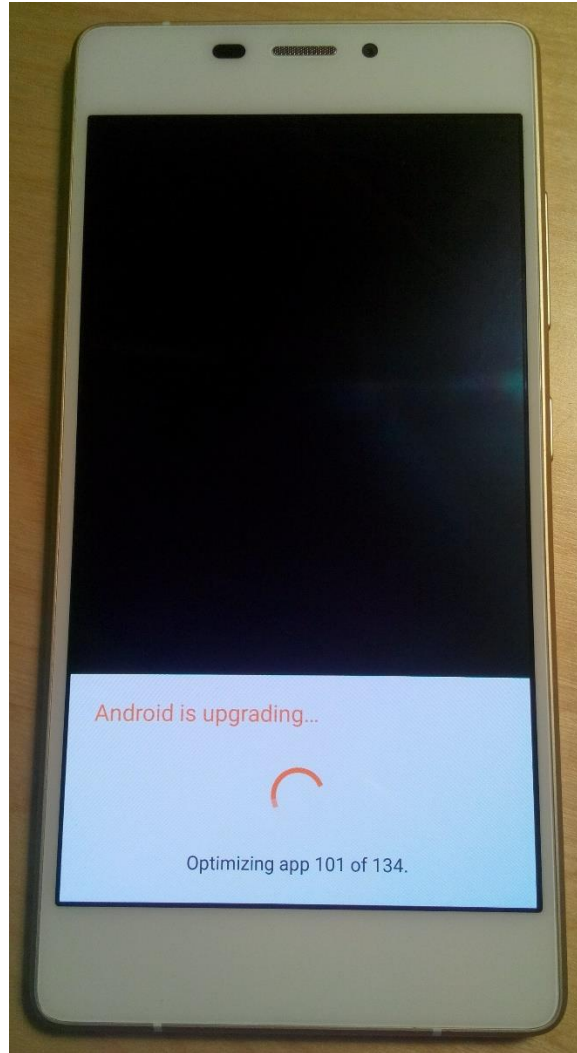

6. After full software download, select **“Upgrade”**:

7. The phone will reboot and the update procedure will start automatically .

8. After finishing the update process, the phone will reboot itself.

9. On the phone's screen this message will be displayed: ***“Android is upgrading”***.

The update file downloaded in the internal storage will be deleted automatically after the termination of the update process.

We recommend **Factory Reset** after the update, to avoid some errors.

ATTENTION! *The phone's factory reset will completely delete all personal information and the apps installed in the phone.*
